Mr. Anthony Rolater
Fire Chief of Bellville
511 West Main Street
Bellville, Texas 77418

Place Code: Austin: 01507

Dear Mr. Rolater:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is a Class 5.

Insurance Services Office is recommending the classification be changed to a Class 3, with an effective date of 01/01/2011. The recommendation is based on a review of your community performed on 03/29/2010 and does include application of the Texas Addendum.

With a single class rating of 3, all class-rated properties will use Class 3.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and of the 01/01/2011 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

Jesse James Williams
Deputy State Fire Marshal
PPC Oversight Officer

August 11, 2010

Mr. Anthony Rolater
Fire Chief of Bellville OPA
511 West Main Street
Bellville, Texas 77418

Place Code: Austin: 01506

Dear Mr. Rolater:

Insurance Services Office (ISO) has submitted a recommendation that extends your fire department response to an area outside the city limits. This area is considered an Outside Protected Area or OPA and is limited to the area indicated on the map which accompanied the request. Please note this does not apply to the area within the city limits or the area covered by the Public Protection Classification (PPC). Currently, the area outlined in the OPA is unclassified.

Insurance Services Office is recommending the Public Protection Classification for the OPA be changed to a split Class 3/10 with an effective date of 01/01/2011. The recommendation is based on a review of your community performed on 03/29/2010 and does include application of the Texas Addendum.

With a split Class 3/10, all property located within 5 miles of a fire station, will use **Class 3**, whereas, all property located farther than 5 miles of a fire station will use **Class 10**.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and of the 01/01/2011 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

Jesse James Williams
